### Mr Scott-Evans writes....

As we struggle to comprehend the horror unleashed by the terrorists on the border of Gaza and the dreadful consequences for innocent civilians, it is important, I think, to pray. I include below a prayer that could be used if you wish. Members of the school community are also welcome to join us in prayer times on Wednesdays at 7:50am and 8:45am and our Eucharist on Fridays at 1pm.

We should also remember the words of St Paul to the Galatians:

*'There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus.'* Galatians 3:28

People of faith, all over the world, pray for a peaceful resolution that seems vanishingly far away right

now, we are reminded of St Paul's message that emphasises our common humanity and that God, through the power of the Holy Spirit, can empower all people through faith to live as Jesus did.

An understanding that we are all made in the image of God is a powerful reminder of the sanctity of all human life and a rebuke to those who would seek to cause harm or spread hatred against their fellow human beings.

As responsible parents and teachers, we need to be particularly aware of the dangers of social media, where those who want to spread division and hatred will be eager to post the most shocking and harrowing videos of the victims of conflict and terrorism. Several schools in

North London have urged parents to persuade their children to delete Tiktok, in particular. Anything that threatens to contaminate young minds with images of shocking violence, or which seeks to undermine our common humanity is profoundly dangerous and unholy. As you know, I am very concerned about TikTok generally and so endorse this idea, but I will leave it to parents to decide on the best course of action. At least talking about the issues openly and looking at phones together would be helpful.

Let us continue to pray for peace.

Best regards

## Chamber Concert Runcie Hall TONIGHT!

**Friday 13th October  
from 6pm.**

This concert features students from various year groups, some of whom are preparing for performance exams. The concert is free of charge and no tickets are required.

**Prince of Peace, we cry out to You today for the people of Israel and Gaza; these very lands You know so well.**

**First, we pray with all our hearts for those grieving the sudden loss of loved ones, those who've been captured, and those whose homes have suddenly been destroyed.**

**Lord, we also pray for a miraculous de-escalation of this dangerous conflict. Terrible things are being done, many hundreds have died, hospitals are overflowing, many are suddenly grieving. Violence is provoking violence, but we pray for reason to prevail over rage and revenge. May those with a vested interest in escalating this crisis somehow be restrained.**

**Finally, Lord, we pray for active and effective peace making at an international political level wherever there is conflict in the world today. May the measured voices of diplomacy constrain violence on every side.**

**Amen**

## Becket Keys Open Event

Yesterday we held our school Open Event, we were delighted to be able to welcome over 1700 visitors into the school.

We love showing new people our school, as these events are the best way for students and their families to find out what Becket Keys is like. This school is a distinctive choice. No one is here just because it is their catchment school; everyone has specifically chosen to come here. That gives it a particular feel. Most importantly, our Christian ethos sets us apart. Not everyone knows how a Church School operates; these events give them a chance to find out.

As always, it was pleasure to take prospective parents and students on tours of the school. The politeness of students, professionalism of our staff and standard of our facilities is something that we are very proud of.

We are extremely grateful to all the teachers, student tour guides and department helpers. We are also grateful for the commitment of our school families in supporting these events with late school pickups etc. These events are important for the wider community and help families reach important decisions about the future for their sons and daughters. Thank you for your continuing support of our school.

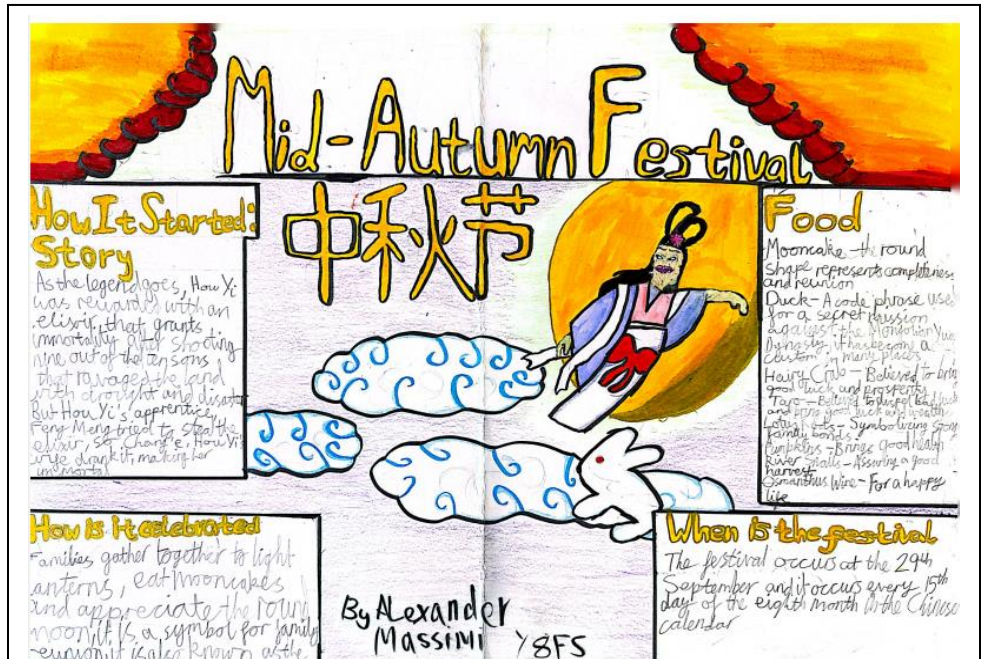

# Mandarin Department - Mid-autumn Festival

The Mid–Autumn Festival, also known as Moon Festival or Mooncake Festival, is a traditional festival celebrated in China. It is the second-most important holiday after the Chinese New Year with a history dating back 3,000 years.

The Mid-Autumn is on 15th August lunar month each year. This year it was on 29th of September. On this day, the Chinese believe that the moon is at its brightest and fullest size, coinciding with harvest time in the middle of Autumn.

In our Mandarin lessons with Year 7,8 and 9 MEP classes, Miss Lin and Mrs Zhang shared the legendary story of the Mid-Autumn Festival and explained to the students that Chinese families normally get together on this day to have a feast, followed by moongazing and eating the festival snack, mooncakes, a rich pastry typically filled with sweet-bean or lotus-seed paste or other savoury filling. The round shape of the mooncake symbolises the full moon and the family reunion.

Our Year 7 and 8 Mandarin Excellence Programme students were given the task to design a poster about the traditional Chinese festival for the poster competition. The work submitted showed the students had done lots of research into the festival. We are amazed by the high standard of the work that our

students produced! The posters are not only informative, but also visually appealing, and they showcase the artistic skills our students have.

We are incredibly proud of our students!

Here are a few of the fantastic posters that were submitted.

The Story of the Jade Rabbit is also a story related to the Mid Autumn festival. The Emperor said he was hungry. He sent three animals to find food. The fox brought forward, the monkey brought back something else but the rabbit didn't bring anything. So he offered the emperor to eat him. The emperor was so touched he sent his bones to the Moon Palace to be honored forever.

Long long ago, there were 10 suns in the sky. The suns burnt the plants on Earth and the people were dying. One day, a skilled archer called Houyi shot down nine of the suns, and the people were saved. The Queen Mother of the West gave Houyi an elixir which could make him immortal. He didn't want to drink it because he wanted to stay with his wife, Chang'e. So he asked her to keep it safe. Houyi became famous and everyone knew about the elixir. A thief wanted to steal it. Soon the thief went to Houyi's house to steal the elixir while Houyi was out hunting. Chang'e knew she couldn't defeat the thief so she swallowed the elixir. The elixir made her fly higher and higher until she stopped on the moon. She became immortal. Houyi was heartbroken, but saw a figure on the moon just like Chang'e. He offered mooncakes and fruits to her to show how much he missed her. Since then, mooncakes have been offered to worship the moon.

Many people gather in the streets and enjoying eating mooncakes together and drinking various wine. Many love eating mooncakes. Besides mooncakes and various wine many eat various fruits, such as apples, grapes, melons, peaches, pears and pineapples.

Mid-Autumn Festival

This festival happens once a year where people in China celebrate the moon. It is one of the most important celebrations in China. The celebration is all about getting together with friends and family.

This year the moon festival will be falling on the 29th September 2022

The legend of the elixir

The myth dates back 3,000 years ago. Hou yi saved the people from the scorching heat by shooting nine of the ten suns and leaving one in the sky. As a gift the immortals gave him an elixir as a reward for his bravery. The elixir can make you immortal but as Hou yi and his wife, Chang'e, didn't want to leave each other neither of them took the elixir while Hou yi was out shooting. Chang'e didn't want to let the thief steal the elixir of immortality so she took it. On the way back to Hou yi saw his wife floating upwards towards the moon from near on she catches him from the moon above.

## Book of the Month - October

At an elite boarding school in the English countryside, Nigerian cousins Iyanu and Kitan are thrown into the middle of a schoolwide conspiracy when everyone's juicy secrets are released "Burn Book style" the week before the annual Valentine's Day Ball...

Within the walls of Wodebury Hall, reputation is everything. But aspiring photographer Iyanu is more comfortable observing things safely from behind her camera.

For Iyanu's estranged cousin Kitan, life seems perfect. She has money, beauty and friends like queen bee Heather. But as a Nigerian girl in a school as white and insular as Wodebury, Kitan struggles with the personal sacrifices needed to keep her place - and the protection she gets - within the exclusive popular crowd.

Then, photos from Iyanu's camera are stolen and splashed across the school - each with a juicy secret written on it. With everyone's dirty laundry suddenly out in the open, the school explodes in chaos, and the whispers accusing Iyanu of being the one behind it all start to feel like déjà vu.

Each girl is desperate to unravel the mystery of who stole the photos and why. But exposing the truth will change them all forever.

A whip-smart, highly entertaining novel bursting with drama, gossip and romance, placing two black girls at the heart of a mystery in a prestigious English boarding school.

A great start to the Essex Cup.

### Sixth Form Football Essex Cup

The first Sixth Form fixture saw Becket Keys travel to Davenant Foundation. With two strong year groups the combined outfit was entered into the Essex Cup for the school's first try at senior cup football.

The squad was made up of Harry Adams, Callum Goodey, Jake Burke, Henry Wainwright, Harry Buckland, Joe Thomas, Frankie Clark, Archie Winney, Callum Bendelow, William Charters, Max Parry, Gerrard Ohene-Duah, Nathan Donovan, Micah Agu and Jacob Lawrence.

Chances were created in the first half with Henry and Jake working hard to allow Micah the freedom to drive forwards to support Cal and Harry up top. The defensive 5 ahead of Will in goal did not for a moment look like conceding with JT and Bendelow driving out from wing back and Buckland, Archie and Frankie locked down the centre of defence. Chances squandered early on from the forwards eventually came back to bite us when after a second half of backs against the wall defending saw it go to penalties. Will continued his final Year 11 success of saving in the shootout but we bowed out 4-3 from the spot. Friendly fixtures are certainly in the works for this great bunch who thoroughly enjoyed themselves.
