## IN THIS ISSUE

Dear Parents/Carers

I wanted to write to you today let you know how the Parent Survey has gone this year. However, so far, we have only had 28 families take part. I hope the lack of response is indicative of general satisfaction, but I would really like to get more views if possible. It is hard to draw conclusions from such a small sample.

We want to know if your child is happy and doing well in your opinion.

We look carefully at the survey to see what the areas of development should be and how they fit with other metrics. For example, last year 6% of parents who responded said that they strongly disagreed with the statement that the school

informed them of how well their son/daughter was doing. This year none have strongly disagreed, but with it being such a small sample, it is hard to be sure what you think!

I hop that this improvement is because we have opened up a new feature of the MCAS app to include more feedback to parents in this regard. We have also further extended the length of parents' evening appointments for sixth formers to provide better opportunities to hear how students are getting on. We also are trialling a different method of reporting to see if it helps parents to feel better informed. With additional short reports being sent home earlier in the year. As this is seen to be helpful, we will look to extend it across other year groups next year.

.....contd. from Page 1

We were pleased that only 1% of those who responded last year strongly disagreed that their child does well at Becket Keys. This year (so far) none of those who have responded have strongly disagreed. With our best exam results last year placing us as the top performing mixed comprehensive school in Essex, I think we should score well in this category. We will continue to employ great teachers, plan excellent lessons, and support students to realise their full potential.

Last year, 14% of parents told us that they were not aware of the curriculum that was being taught to their son/daughter; this year 0% have said this! We took on board the feedback from last year and we have been trying to draw attention to the curriculum on our website – [here](#). Every subject, for every year group, for every term is here. You can see week by week what is being taught. We know that it really helps most parents with planning day trips, theatre visits, books to read and films to watch. We have also worked hard on making the most of the Satchel One app and parents tell us that they have learned a lot about what students are studying through this. I hope

that parents feel better informed. We will continue to work on this.

We also saw last year that although many parents agreed there were lots of clubs for students, you wanted to see us doing more to support the students' wider personal development. Nearly 20% said that they either did not know or were not happy enough with this. This year it is 15%. Speaking to parents afterwards, we learned we needed to do more with parents, communicating more about what is happening with regards to wider personal development. We are also trying to give students more careers input, more opportunities to play for school teams, go on school trips and be in a school play/choir. We are now not only back to pre-pandemic levels but far surpassing them. We have never had so many opportunities nor had such excellent student engagement. Our Sixth Formers have particularly embraced this and are taking responsibility to either help restore previous provision or run new clubs that they wish they had been able to access when they were in the lower school. The Sixth Formers benefit from taking this responsibility, and younger

students benefit from interacting with them.

We have also seen great investment in PE, Music and Drama in the last year. For example, there are new Macs, keyboards and instruments for music and more opportunities to perform than ever. We had our most ambitious school play ever 'School of Rock' - with more students taking part. We have continued to invest in more PE teachers, more opportunities to compete and extra clubs with new equipment in all areas.

I appreciate it is hard for families to fill in forms like these when most of us have never experienced another secondary school and we may feel that there is a limit to how much we know. Furthermore, we all have very high expectations (quite rightly)! However, please do try to be realistic and fair with your responses. We want to encourage our staff and recognise the effort they put in. These surveys give an opportunity for that: please give credit where credit is due.

Parents, please use the survey here:

[Give your views | Ofsted Parent View](#)

Students, please use the survey here:

<https://forms.office.com/e/jjppjFZFyxN>

Students will need to use their Becket Keys Office 365 account to respond to the survey.

Remember, each parent and each student can fill out the survey once per year. Take time to consider your answers carefully. The parent survey goes to OfSTED, and it would be good to show them how proud we are of our school! Two RET schools have had OfSTED in recent months and we are due to be inspected next (by September 2025).

If you would prefer to come and see me to talk to me, please start by writing me an [email](#) and then I will book you in for one of the parent forums that I will be running soon.

Although the surveys are once a year and provide a certain type of feedback that is useful it is not the only way to tell us what you think. Please remember that we

are always here to listen to your views and to work together. I look forward to hearing from you.

**Mr Scott-Evans**  
Headteacher

PS Have a lovely weekend! If you are joining me for my installation as Canon at Chelmsford Cathedral on Sunday, I look forward to seeing you for the service. It starts at 3:30pm. I would like to see any students who come in school uniform, please. There are some refreshments afterwards, please do stay to chat!

## The School Prayer

*Heavenly Father, we pray that Becket Keys Church of England School will be a blessing to the people of Brentwood.*

*Encouraged by the example of Peter, Thomas of Canterbury and all your saints, may its students know the beauty of your truth;*

*May its staff know the joy of your service;*

*May its headteacher and governors be led by a vision of your kingdom;*

*And together may the school community know your Holy Spirit in its midst.*

*This we ask through Jesus Christ our Lord. Amen*

### Donations for Fundraising Raffle

**We are appealing for donations for the raffle which will be held on the evenings of the Charlie and the Chocolate Factory production.**

**Do you have anything that you could kindly donate?**

**All proceeds raised from the raffle will go towards the costs incurred in putting on the school production.**

**Please bring your donations into school and either leave them in Reception, or bring them to the Staff Room in Carey Building. Please ensure that they are marked for my attention.**

**Thank you for your support.**  
**Mrs L Simmons**

## Meet Some New Staff

### Mr Moyet SENDcO

Firstly, I would like to express how excited I am about working here at Becket Keys over the coming year.

I grew up in Basildon, completing A-Levels before heading to university to study for a BSc in Audio Music Technology - at the time I wanted to be a record producer and managed to work with some great bands and musicians during my three years there.

On leaving university, I made the decision to change direction and pursue a career in retail management, completing the Co-Operative groups graduate programme in 2002. As part of this training, we were required to gain experience in different stores, taking me to far flung exotic places such as Laindon, Stanford-Le-Hope, Canvey Island and Hutton.

Retail wasn't for me! So, in 2006 I left the sector to Join Woodland's School in Basildon as a teacher trainee, I wanted to use my

education to support children in my local area.

I am currently teaching History, however during my career I have been a Teacher of Science, Mathematics, English, Food Technology, RE and believe it or not Dance!

In 2016, I left Woodlands, having been a Head of Year to join the Eastwood Academy in Southend as an Assistant Principal. It was at this point in my career that I discovered a passion for Special Educational Needs and Disabilities and completed my training as a SENDCo in 2019.

In 2023, I joined Maltings Academy as Vice Principal and although I enjoyed the role it took me away from my true teaching passion: SEND!

I was fortunate enough to be able to apply to work here at Becket Keys as the School SENDCo/Assistant Head Teacher and am determined to do the job justice!

Outside of education I am still a keen musician. Please don't start a conversation with me about guitars if you expect to leave before retirement!

### Miss White English Teacher

I am beyond grateful to be joining the Becket Keys community as an English teacher. From the first moment I arrived for my teacher trainee interview, I could sense

that it was a fantastic school with a positive and comfortable atmosphere. I have been passionate about English since my schooling career, greatly inspired by those who taught me and nurtured my talent and love for the subject. I went on to study literature at university, with a special interest in poetry and Greek mythology in particular.

Although I have loved English for many years, it wasn't until I began training as a teacher that I discovered my calling. Being in the classroom and collaborating with students has been inspiring. Watching how different students learn in different ways and produce such unique interpretations of concepts has been fascinating.

My passions outside of work include art (painting and sketching), piano, dance, writing and animals. I also love to learn about a variety of topics such as Ancient Egypt, philosophy and psychology (the human mind is a compelling enigma to me).

I am so ecstatic to be joining the team and cannot wait to learn and grow with this school.

## World Challenge

Becket Keys has been working with World Challenge since 2017. World Challenge is an organisation that offers unique and inspiring experiences for schools through various programmes. Here are some key aspects of World Challenge:

1. **Leadership Expeditions:** These expeditions are student-led and focus on developing leadership skills.
2. **Learning Service Journeys:** These journeys are designed to foster global citizenship through cultural immersion. Students spend 7–13 nights in different countries, expanding their minds by sharing cultures and stepping out of their comfort zones.
3. **Project Independence:** For those who want to take the road less travelled, Project Independence offers independent trips with like-minded friends. It's an adventure of a lifetime for brave students.

The 2024 expedition is to Borneo and will include visiting an Orangutan rehabilitation centre and time sleeping without tents in the rain forest.

The 2025 trip to Cambodia is currently being planned.

Watch this space for 2026!

On Tuesday, the World Challenge students met to take part in a culinary session. As part of the preparation for the summer trip to Borneo students were asked to

prepare the traditional Malaysian dish, Nasi Goreng. A great time was had by all, and the finished dishes looked fantastic.

The team thought other students might want to try making the dish themselves so here is the recipe.

### Cooking Corner: Nasi Goreng Recipe

#### Ingredients:

1 teaspoon oil  
Protein of your choice (chicken, prawns, or a vegetarian alternative)  
Garlic and ginger (add chili if you like it spicy)  
Stir-fry vegetables  
Nasi Goreng paste  
Noodles  
Soy sauce (for seasoning)

#### Instructions:

**Heat Things Up:**  
Start by adding a teaspoon of oil to a pan and heating it up.

#### *Protein Power:*

Add your chosen protein to the pan. Cook it thoroughly until it's nicely browned.

#### *Aromatic Flavours:*

Throw in some minced garlic and grated ginger. If you are feeling adventurous, add a touch of chili for extra heat.

#### *Veggie Vibes:*

Stir in the colourful stir-fry vegetables. Keep them moving for 3 to 4 minutes, ensuring they stay crisp and vibrant.

#### *Nasi Goreng Magic:*

Now, it is time for the star ingredient: Nasi Goreng paste. Add it to the pan and let the flavours mingle.

#### *Rice Time:*

Toss in the rice (cooked beforehand, of course). Stir everything together for an additional 3 minutes.

#### *Season to Perfection:*

Season your Nasi Goreng with soy sauce. Adjust the seasoning to your taste.

#### *Egg-citing Finish:*

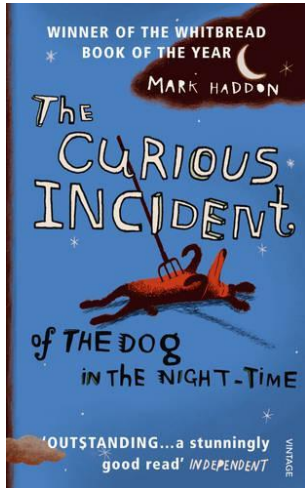

Traditionally, Nasi Goreng is served with a fried egg on top. But hey, if you prefer a thin omelette, go for it!

A very big thankyou to Mrs English for leading the session.

## English Department

This month the Year 7s have been reading 'Lies Like Poison' in form time. This is a crime novel that tells the story of a woman who is poisoned, and the girl who claims to be framed for the murder! If you enjoy this genre, here are some of my recommended reads!

### The Curious Incident of the Dog in the Night-Time

**Marc Haddon**

This is a murder mystery novel like no other.

The detective, and narrator, is Christopher Boone. Christopher is fifteen and has Asperger's Syndrome. He knows a very great deal about maths and very little about human beings. He loves lists, patterns and the truth. He hates the colours yellow and brown and being touched. He has never gone further than the end of the road on his own, but when he finds a neighbour's dog murdered, he sets out on a

terrifying journey which will turn his whole world upside down.

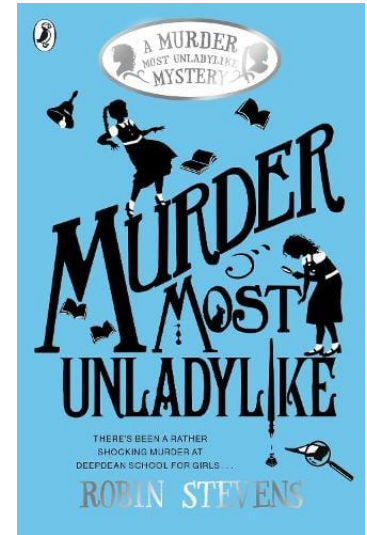

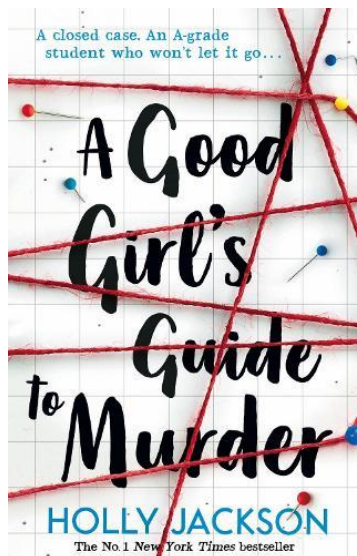

**BECKET KEYS**  
Church of England School

### A Good Girl's Guide to Murder

**Holly Jackson**

The case is closed. Five years ago, schoolgirl Andie Bell was murdered by Sal Singh. The police know he did it. Everyone in town knows he did it. But having grown up in the same small town that was consumed by the crime, Pippa Fitz-Amobi isn't so sure. When she chooses the case as the topic for her final project, she starts to uncover secrets that someone in town desperately wants to stay hidden. And if the real killer is still out there, how far will they go to keep Pip from the truth . . .

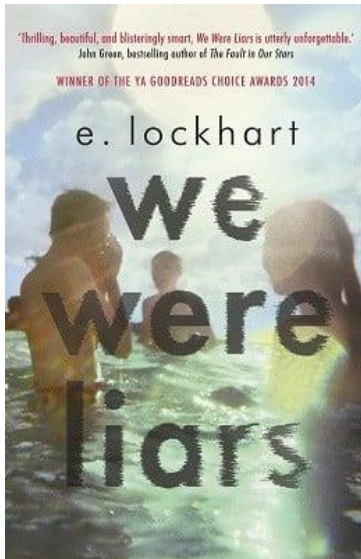

### Murder Most Unladylike

**Robin Stevens**  
At Deepdean School for Girls, Daisy Wells and Hazel Wong have set up their own detective agency, but they are struggling to find any real crimes to investigate. (Unless you count the case of Lavinia's missing tie. Which they don't.)

Then Hazel discovers the Science Mistress, Miss Bell, lying dead in the Gym. To add to the mystery, when she and Daisy return five minutes later, the body has disappeared. Now Hazel and Daisy not only have a murder to solve: they have to prove one happened in the first place.

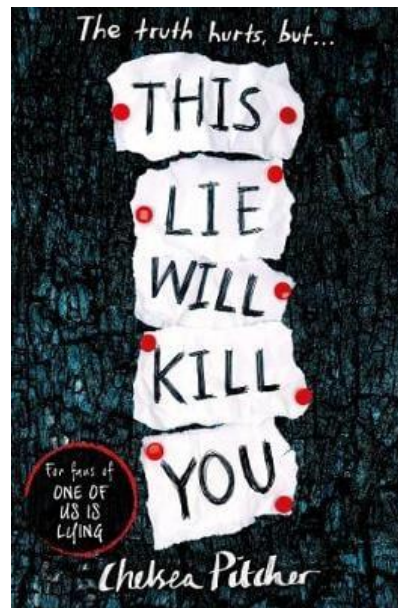

Determined to get to the bottom of the crime before the killer strikes again Hazel and Daisy must hunt for evidence, spy on their suspects and use all the cunning and intuition they can muster. But will they succeed? And can their friendship stand the test?

This month the Year 8s have been reading 'One of Us is Lying' in form time. This is a crime novel that tells the story of 4 teenagers trying to clear their name after a classmate dies in the same room as them! If you enjoy this genre, here are some of my recommended reads!

## We Were Liars E. Lockart

Cadence Sinclair Easton comes from an old-money family, headed by a patriarch who owns a private island off of Cape Cod. Each summer, the extended family gathers at the various houses on the island, and Cadence, her cousins Johnny and Mirren, and friend Gat (the four "Liars"), have been inseparable since age eight. During their fifteenth summer, however, Cadence suffers a mysterious accident. She spends the next two years—and the course of the book—in a haze of amnesia, debilitating migraines, and painkillers, trying to piece together just what happened.

## This Lie Will Kill You Chelsea Pitcher

Tell the truth. Or face the consequences. One year ago, there was a party. At the party, someone died. Five teens all played a part and up until now, no one has told the truth. But tonight, the five survivors arrive at an isolated mansion in the hills, expecting to compete in a contest with a \$50,000 grand prize. But of course... some things are too good to be true. They realize they've been lured together by a revenge seeker who wants to unravel the truth about what actually happened that deadly night, one year ago. Five arrived, but not all can leave. Will the truth set them free? Or will their lies destroy them all?

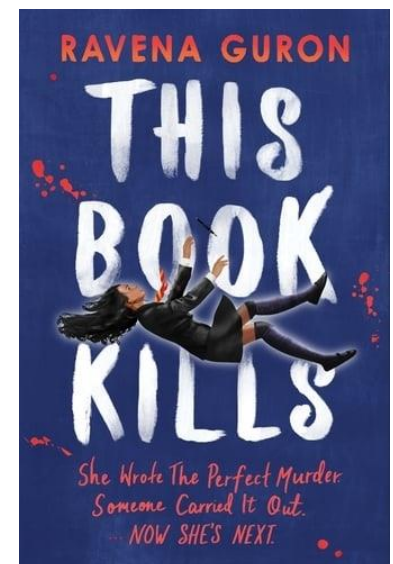

**BECKET KEYS**  
Church of England School

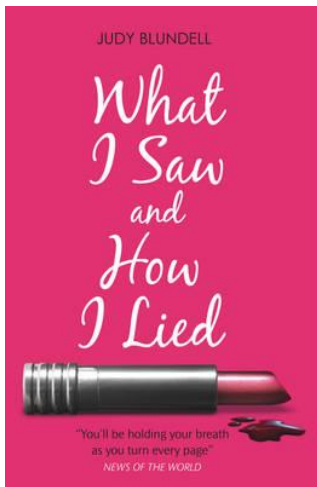

## This Book Kills Ravena Guron

I'll make it clear from the start: I did not kill Hugh Henry Van Boren. I didn't even help. Well, not intentionally.'

When Hugh Henry Van Boren, one of the most popular and richest kids in Jess Choudhary's school, is found dead, the student body is left reeling and wondering who the murderer could be... Jess, a student under strict instructions to keep her record clean or risk losing her scholarship, finds herself at the centre of the investigation when it's revealed that Hugh died in the exact same way as a character in a short story she wrote. And then Jess receives an anonymous text thanking her for the inspiration. With time running out, Jess knows if she doesn't solve this mystery, she'll finally have something in common with Hugh Henry. She'll be dead too.

This month the Year 9s have been reading 'They wish they were us' in form time. This is a crime novel that tells the story of a teenager realising that her best friend was not murdered by her boyfriend, and therefore the murderer is still on the loose! If you enjoy this genre, here are some of my recommended reads!

## What I Saw and How I Lied

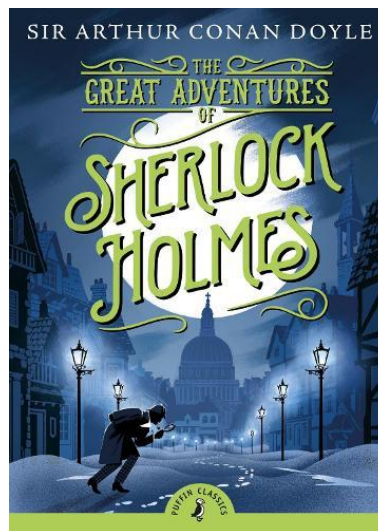

### Judy Blundell

Summer's ending, Evie's stepfather is finally home from the Second World War, and Evie is tired of her glamorous mother treating her like a little girl. Then a mysterious stranger appears; a handsome ex-GI who served with Evie's stepfather. Slowly, Evie realizes that she is falling in love with him - but he has dark secrets, and a strange control over her parents. When a sudden tragedy occurs, Evie's world is shattered. Torn between her family and the man she loves, Evie must betray someone. The question is ...who?

## The Great Adventures of Sherlock Holmes

### Sir Arthur Conan Doyle

From the strange case of 'The Red-Headed League' to the extraordinary tale of 'The Engineer's Thumb', Sherlock Holmes and his assistant Dr Watson grapple with treachery, murder, and ingenious crimes of all kinds. But no case is too challenging for the immortal detective's unique power of deduction.

## You're Not Supposed to Die Tonight

### Kalynn Bayron

Charity Curtis has the summer job of her dreams, playing the "final girl" at Camp Mirror Lake. Guests pay to be scared in this full-contact terror game, as Charity and her summer crew recreate scenes from a classic slasher film, Curse of Camp Mirror Lake. The more realistic the fear, the better for business. But in the last weekend of the season, Charity's co-workers begin disappearing. And when one ends up dead, Charity's role as the final girl suddenly becomes all too real. If Charity and her girlfriend Bezi hope to survive the night, they'll need to figure out what this killer is after. Is there is more to the story of Mirror Lake and its dangerous past than Charity ever suspected?

## UKMT Mathematics Challenge

Granny gave away her entire collection of antique spoons to three people. Her daughter received 8 more than a third of the total; her son received 8 more than a third of what was then left; finally her neighbour received 8 more than a third of what was then left.

What is the sum of the digits of the number of spoons which were in Granny's collection?

- A 14      B 12      C 10      D 8      E 6

On Thursday 25<sup>th</sup> April, a selection of our Year 7 and 8 students (122 on the day) took part in the 2024 UKMT Junior Mathematical Challenge. This is an annual event and is a lovely enrichment opportunity. The questions themselves are all non-calculator, but students are allowed to use pen and paper for their working out. All questions are multiple choice – and one of the questions from 2023 is above.

Papers from the challenge will be uploaded to UKMT for machine marking, and we hope to get results back in 2 to 3 weeks. Correct answers for questions 1 to 15 score 5 and 16 to 25 score 6 (so

the maximum score available is 135). All students who took part will receive a certificate. The top 50% across the UK will be awarded either Bronze, Silver or Gold in the ratio 3:2:1. Top performing students may then be invited to participate in the next round ("Junior Kangaroo" or for an exceptional few the "Junior Olympiad"). The next rounds usually take place in June.

We wish our Year 7 and 8 students well, and hope they enjoyed the experience!

## Late Gate

*Early is on time,  
On time is late,  
And late is unacceptable!*

At Becket Keys, we look to ensure that we are preparing students for life beyond school. We encourage students to attend school regularly and on time.

Remember that the school gate closes at **8.25am**. This allows students enough time to be at their first lesson on time. Period 1 begins at 8.30am.

Brentwood can be tough to negotiate during rush hour, so we encourage students and parents to contact the school in the case of **genuine** lateness, such as delayed public transport.

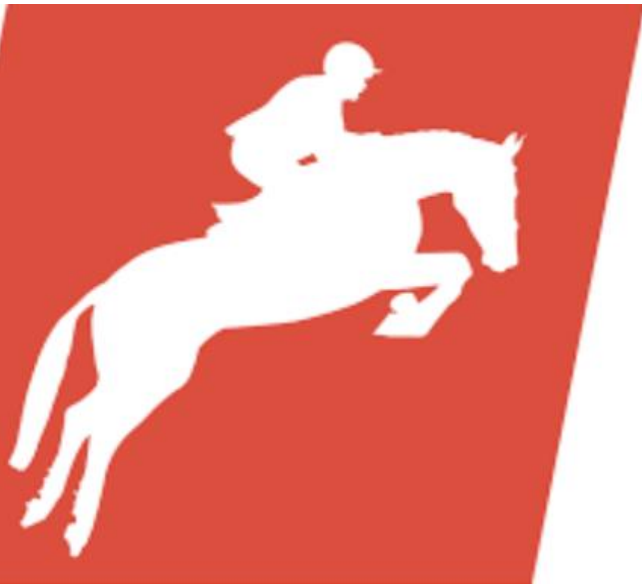

Parents can call the main school line 01277 286600 or use the "Studybugs" app.

We thank you for your support.

## CALLING ALL EQUESTRIANS

### AT BECKET KEYS!

We are in the process of joining the NSEA (National Schools Equestrian Association) and if you have a horse that you are currently competing, why not compete for the school?

There are a range of disciplines across all levels so there's something for everyone. This includes:

- Dressage
- Showjumping
- Arena eventing (Jumping with Style)
- Eventing

You can compete in these disciplines at local NSEA competitions or championships if you qualify!

The competition will run just like normal only you'll be competing for the school (in a team or individually depending on if we can get a team together). Normal

attire is to be worn but with the addition of a school badge or tie.

What you need to sign up:

- Your name
- Your date of birth
- The competition name of your horse
- Your or your parent's email

How to sign up:

If you would like to join the team, email your details to the school so that you can be signed up.

If you want to find out more, visit the NSEA website or contact Rebecca Stewart in Year 11

## Apprenticeship and traineeship vacancies

If you are interested in an apprenticeship then it would be a good idea to follow [Find an apprenticeship](#). You will then be alerted to each week's apprenticeship and traineeship vacancy reports for our area and get an alert if there is a new opportunity. If you use the filter tool, you can view only the vacancies that meet your requirements (such as vacancies within a set region, start date and wage etc).

If you would like any advice on further education pathways please speak to your tutor or Ms North and we can arrange a meeting with our Careers advisor, Mr Williams.

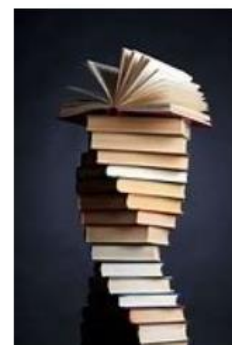

For more information on apprenticeships visit [apprenticeships.gov.uk](https://www.apprenticeships.gov.uk) or follow [@Apprenticeships](https://twitter.com/Apprenticeships) on Twitter.

## Our School Library (Lib A)

- Your school library is open on the following lunch times:
  - Tuesday (4.2) 12.50-1.20
  - Wednesday (4.1) 12-12.30
  - Thursday (4.2) 12.50-1.20
  - Friday (4.1) 12-12.30.
- It is also open after school every day between 3.15 and 4pm.
- The library is open for you to:
  - Come and borrow or return books,
  - Get help on finding a book you might enjoy reading,
  - Sit and read,
  - Discuss books with other students.

## Book of the Month - April

Tuva is in Year 7, and her checklist of goals includes: writing a diary, getting a cool look, building the best fort in the woods with her BFFs, and sharing **EVERYTHING** with her best friends. But when she goes back to school, nothing is how she hoped it would be.

Her friends have split into rival factions: Team Linnea and the girls who fall in love and Team Bao and the girls who are still playing. Linnea has a boyfriend, Bao hates everything related to feelings. Tuva gets caught between feeling like a kid and wanting to know **HOW** to become a teenager. Worst of all, she is expected to choose a side!

Then Mariam shows up and suddenly things begin to make a little more sense. But with all her friends fighting, this is one part of growing up that Tuva isn't quite sure how to share . . .

I felt like I am a lot more prepared to start my revision and a lot less intimidated by it all, the explanations for the questions were really well explained and I understood when I got some of them wrong.

The speakers were very friendly and the slides made it easy to jot down quick notes because of how clear they were.

Congratulations to Mr Taylor-Smith who completed his marathon challenge in just over 4 hours.

Many thanks to all the colleagues, parents and students who supported his fundraising efforts, so far Mr Taylor-Smith has raised **£2,672** for the British Heart Foundation.
